

1 motion. Do you want to move it?

2 MR. MARTINEAU: Yes, I would like to move
3 that the number of petitions be as provided by law but
4 not to exceed ten per cent.

5 THE CHAIRMAN: Is there a second?

6 MR. SAYRE: Seconded.

7 THE CHAIRMAN: All right. Is there any
8 discussion?

9 MR. BOND: This has no minimum. I renew my
10 argument that the Legislature should not be arbitrary
11 of what percentage of votes could judge when it goes
12 to referendum.

13 DR. BURDETTE: It should be in the
14 Constitution.

15 THE CHAIRMAN: Are you in favor of the
16 motion?

17 MR. MARTINEAU: Question.

18 THE CHAIRMAN: All those in favor of leaving
19 to the Legislature to determine by law the number of
20 signatures required but not less than ten per cent raise
21 their hands.
